Accessing (Material) Safety Data Sheets at Michigan Tech

Digital copies of the Safety Data Sheets for chemicals used at Michigan Tech are available online through MSDSonline.

The MSDSonline database can be accessed by:

- clicking the link in the top-right corner of most MTU homepages
- typing www.mtu.edu/sds in the address bar of your browser
- scanning the QR code at the entrance to laboratories and other rooms where chemicals are used or stored.

Note: Access to the database is secure and will require entering your MTU user ID and ISO password
